

No Advance Here in Prices of Imported Rugs We Save You 40% to 50%

European war conditions have reduced the importation of Persian and Turkish Rugs to such an extent that wholesalers and retailers in this country have advanced prices 40% to 50%.

Before-the-war prices still prevail here, as long as the present stock holds out, so you may count on buying the highest-grade imported rugs at about half the price asked · elsewhere.

Further than this we show the largest as-
